Mr. Harry M. Moore,
State Treasurer,
State House,
Phoenix, Arizona.

LAW LIBRARY
ARIZONA ATTORNEY GENERAL

Dear Mr. Moore:

This will acknowledge receipt of your letter of November 26 relative to a permanent fund set up known as the "Miners' Hospital for Disabled Miners Fund" in which you request an opinion as to what is the proper fund to credit receipts from lands belonging to this fund.

Your attention is directed to Chapter 73, Section 3 of the Session Laws of 1929, which appears as Section 2945L in the 1936 Code Supplement reading as follows:

"The state treasurer is hereby authorized and directed to transfer to the account of the board of directors of state institutions for the use and purpose of said miners' hospital all money received from the land set aside for the purpose of building the miners' hospital, and the same shall be used as provided in said enabling act.

It is therefore our opinion that all money received from the lands set aside under the enabling act for the use of the miners' hospital for disabled miners should go to the board of directors of state institutions for the use and benefit of the miners' hospital as provided in the above quoted section.

Trusting that this fully answers your inquiry, I am

Yours very truly,

JOE CONWAY
Attorney General
